Subject: Support for certification of AutoMARK

Bruce,

I would like to encourage Secretary of State Bruce McPherson to certify the ES&S AutoMARK Voter Assist Terminal. We believe the AutoMARK best meets the needs of the voters of Sacramento County by allowing those with disabilities to vote independently, and on a paper ballot.

Since we now have a November 8, Special Statewide Election we would like to introduce this new voting system to our voters. To help ensure a successful roll-out, we encourage a timely certification so we can begin our Outreach Program and training for staff and precinct workers.

Thank you for your consideration in this matter.

Sincerely,
Jill LaVine
